

1961

TATLER

the 1990s, the number of people in the world who are under 15 years of age is expected to increase from 1.1 billion to 1.5 billion.

As the world's population grows, the demand for food and other resources will increase. The world's population is expected to reach 9 billion by the year 2050. This means that there will be 9 billion people competing for the same resources that we have today. This is a huge increase in the number of people who will be competing for the same resources.

The world's population is also growing older. The number of people aged 65 and over is expected to increase from 400 million in 1990 to 1.1 billion in 2050. This means that there will be 1.1 billion people aged 65 and over by the year 2050. This is a huge increase in the number of people who will be aged 65 and over.

The world's population is also becoming more diverse. The number of people from different ethnic groups is expected to increase from 1.1 billion in 1990 to 1.5 billion in 2050. This means that there will be 1.5 billion people from different ethnic groups by the year 2050. This is a huge increase in the number of people from different ethnic groups.

The world's population is also becoming more educated. The number of people with a high school diploma or equivalent is expected to increase from 1.1 billion in 1990 to 1.5 billion in 2050. This means that there will be 1.5 billion people with a high school diploma or equivalent by the year 2050. This is a huge increase in the number of people with a high school diploma or equivalent.

The world's population is also becoming more mobile. The number of people who have moved from one country to another is expected to increase from 1.1 billion in 1990 to 1.5 billion in 2050. This means that there will be 1.5 billion people who have moved from one country to another by the year 2050. This is a huge increase in the number of people who have moved from one country to another.

The world's population is also becoming more urban. The number of people living in cities is expected to increase from 1.1 billion in 1990 to 1.5 billion in 2050. This means that there will be 1.5 billion people living in cities by the year 2050. This is a huge increase in the number of people living in cities.

The world's population is also becoming more affluent. The number of people with a high income is expected to increase from 1.1 billion in 1990 to 1.5 billion in 2050. This means that there will be 1.5 billion people with a high income by the year 2050. This is a huge increase in the number of people with a high income.

The world's population is also becoming more diverse. The number of people from different ethnic groups is expected to increase from 1.1 billion in 1990 to 1.5 billion in 2050. This means that there will be 1.5 billion people from different ethnic groups by the year 2050. This is a huge increase in the number of people from different ethnic groups.

The world's population is also becoming more educated. The number of people with a high school diploma or equivalent is expected to increase from 1.1 billion in 1990 to 1.5 billion in 2050. This means that there will be 1.5 billion people with a high school diploma or equivalent by the year 2050. This is a huge increase in the number of people with a high school diploma or equivalent.

The world's population is also becoming more mobile. The number of people who have moved from one country to another is expected to increase from 1.1 billion in 1990 to 1.5 billion in 2050. This means that there will be 1.5 billion people who have moved from one country to another by the year 2050. This is a huge increase in the number of people who have moved from one country to another.

The world's population is also becoming more urban. The number of people living in cities is expected to increase from 1.1 billion in 1990 to 1.5 billion in 2050. This means that there will be 1.5 billion people living in cities by the year 2050. This is a huge increase in the number of people living in cities.

The world's population is also becoming more affluent. The number of people with a high income is expected to increase from 1.1 billion in 1990 to 1.5 billion in 2050. This means that there will be 1.5 billion people with a high income by the year 2050. This is a huge increase in the number of people with a high income.

The world's population is also becoming more diverse. The number of people from different ethnic groups is expected to increase from 1.1 billion in 1990 to 1.5 billion in 2050. This means that there will be 1.5 billion people from different ethnic groups by the year 2050. This is a huge increase in the number of people from different ethnic groups.

The world's population is also becoming more educated. The number of people with a high school diploma or equivalent is expected to increase from 1.1 billion in 1990 to 1.5 billion in 2050. This means that there will be 1.5 billion people with a high school diploma or equivalent by the year 2050. This is a huge increase in the number of people with a high school diploma or equivalent.

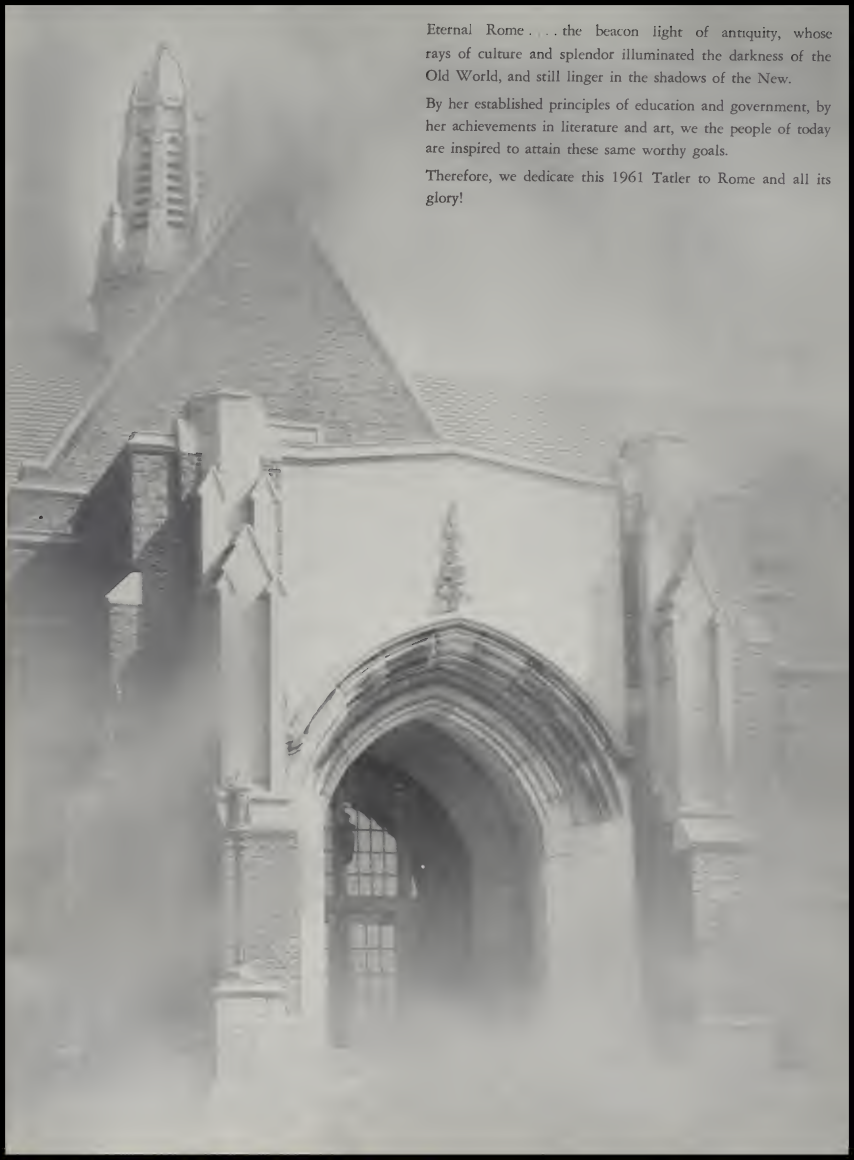

The world's population is also becoming more mobile. The number of people who have moved from one country to another is expected to increase from 1.1 billion in 1990 to 1.5 billion in 2050. This means that there will be 1.5 billion people who have moved from one country to another by the year 2050. This is a huge increase in the number of people who have moved from one country to another.

Eternal Rome . . . the beacon light of antiquity, whose rays of culture and splendor illuminated the darkness of the Old World, and still linger in the shadows of the New.

By her established principles of education and government, by her achievements in literature and art, we the people of today are inspired to attain these same worthy goals.

Therefore, we dedicate this 1961 Tatler to Rome and all its glory!

DR. J. B. JOHNSON, Superintendent of Schools.

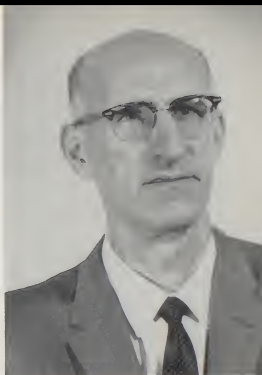

Students have the opportunity during their twelve years of public school education to compile the type of record which gives a complete picture of their ability and achievement. When high school students apply for a position in business and industry, or for admission to college their school record becomes a part of the application. People who are going to employ students or admit them to college, are interested in the students' academic record, courses taken, ability, co-curricular activities, health, attitude, and plans for the future. If a student has ability and desires a good record, he or she may take the required courses and compile an excellent record of achievement. This will be beneficial after high school graduation. Practically all students receive a

high school diploma but very few prospective employers or college admissions officers will ask to see the diploma. These people are interested in the transcript of school credits which includes the complete record of all of the activities of a student during his years in the public school. Work habits, interests, attitudes, and ability are a part of the record that is placed on file in the high school office. To each student is given the opportunity to make his record whatever he wants it to be. Therefore, I challenge all students to evaluate and consider the type of record they are making during the time in which they are enrolled in school. I sincerely hope that *all* teachers and pupils will take time to study this problem before it is too late.

MR. E. M. LEAMON, *Assistant Superintendent*

"Those who are courteous in action and speech realize the many benefits of a good education. Let us all speak and conduct ourselves in a manner that commands the respect of our fellow men."

MR. MACY PRUITT, *Administrative Assistant in charge of Junior and Senior High School Curriculum.*

"Physically, most of us reach our maximum height before the age of twenty-one years. Mentally, it is possible for us to grow as long as we live."

Whether you go to college or go directly to a job, we urge you to continue your education. Read a few good books and see a few good plays each year. It will pay bigger dividends than any other investment you can make."

MR. C. R. WRIGHT, *Administrative Assistant in charge of Vocational Education.*

"A vocation is composed of the responsibilities one accepts when he becomes a contributing member of our society. All of us are vitally interested in vocations because the talents of each is necessary to the well being of all."

## Dress-Up Day

Dress-up Day! And everyone did. All the students came decked out in their Spring finery to help celebrate Student Council Week.

The boys wore suits, ties and their Shiny Sunday Shoes, while the girls, parading in their flowery dresses, teetered in their high-heeled shoes.

But wait a minute — this woman isn't a student! Why we all know her — that's Miss Beckman, our gym teacher. She just had to look "Special" for dress-up day too. And doesn't she look lovely! One might even say she's "a sight for sore eyes." Look at that charming Spring bonnet, and the lovely shoes! Even her flowers and jewelry personify her picture of Spring. And could anyone deny the stylishness of her skirt? It's a little short we must admit — but with Spring in the air who wants to trip around in a skirt down to the ankles.

Thank-you Miss Beckman for helping to make our Dress-up Day complete and we hope that next year the faculty will look as charming as you did!

Grandma, what big teeth you have!

Say ah!

"You know that new boy in class — he really is a monster isn't he?"

"You don't know what you're asking for, but here it goes."

"It can't be that good."

"Oh no, not you again."

"Come right on in, boys."

Winter hits Alton High.

December 24, 1960 —  
"Hey Kathryn, come back from West Point!  
And George, Where are you? Did you go back  
to Germany? We lost the print of your picture."  
Our apologies,  
The Tatler Staff

*"Most Courteous"*  
Kathryn Butler and George Gableman

"You say no one came?"

"That's what you get for eating taffy!"

"Where do the sophomores register?"

"Hurry up, we are sick and tired of waiting!"

"And — then — the — little — piggy — cried  
— wee - wee - wee —"

"What's this thing called school?"

Stop laughing — I did say \$4.75!

Fred's got that disease again.

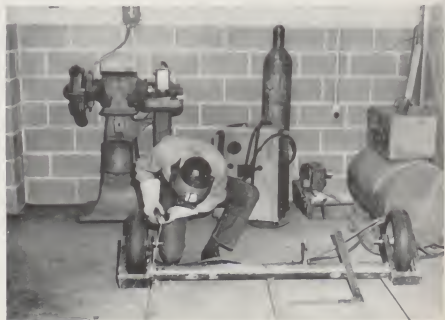

My fans can find me *anywhere!*

Insert your hand here and it comes out . . .

He swept me off my feet — then he threw me away!

I got this kit when I was 3 years old and I'm still trying to figure it out.

"Can I come out now?"

"I hope mine turns out like that??"

"Mr. Decay and happy tooth."

"I wonder if they'll notice the hole in my sock?"

"Put your best face forward! !"

"You say there's a bug in here?"

One over here Waiter.

Kill another cow for Krepell!!

Aren't some people a little bit ridiculous!

Little bit tough!

## Junior Prom Committee

That's an awfully big puzzle.

No, No, you had "X" and I had "O".

Tic Tac Toe, anyone?

An A, an A—I got an A!!!

~~~~~

Mr. Pukach, you will never believe this.

## Production

Close planning is done by the Co-editors.

The sales staff meets. *Left to Right:* Joe Wannamaker, Phyllis Willis, Reba Keene, Betty Blayney, Steve Gibbons, Judy Fairbanks.

Advertising sales are important. *Kae Leimbach, Co-editor and Gib Giberson, Sales Staff.*

They keep us from going in debt. *Nancy Barber, Business Manager and Ruth Ann Kiel, Assistant Business Manager.*

Portraits are made. *Jeanne Hicks and Terry Peterson, Photography.*

Tom Krepel works on photography.

The Journalism Staff identify Sophomore pictures. *Left to Right:* Jean Pierce, Sharon Mayhew, Sydney Ferguson, Joan Texada, and Ellen Young.

The Art Staff—hard at work. *Left to Right:* Ralph Ryder, Eddie Arnold, and Fred Foss.

Becky Allgeyer does layout work.

Jan Barbour and Ralph Ryder work with airbrush.

Sharon Williams and Marlene Krieder work hard as typists. 111

## *Dream Girl*

With a little glue, crepe paper, work, and imagination, it is surprising what can be done to our drab old gym.

As Fred and I walked beneath the towering pillars at the entrance, we entered a new atmosphere. Confronting us was Plantation Ball, complete with all the beauty and grace of the Old South. To each side of us was the garden, the entire length covered with an enormous white trellis adorned in pink flowers. Arranged on top of the tables near the trellises was a dainty goblet vase containing a tiny rose. Small white trees resplendent with pale pink, blue, and green flowers were scattered throughout the garden. Looking above, I stared at the beauty of the ceiling draped with crepe paper and giving the effect of the sky on a summer day. I took a deep breath and felt satisfaction in knowing that we had successfully created the loveliest prom ever at Alton High School.

Continuing through the garden, we gazed upon a massive Southern mansion surrounded by elegant old moss-covered oaks. In front of the mansion was a rich spread of green grass with the typical wrought iron chairs set upon it. Even on cardboard our mansion held the refinement and charm of the traditional home of the South.

As the coronation grew near, I had a funny, tingling sensation, a feeling of nervousness and excitement.

Soon the candidates and escorts were assembled in a room to determine the Dream Girl. When they named me, someone could have knocked me over with a feather. We were handed our bouquets of flowers, and we prepared to start the coronation.

Nellie Clark escorted by Arthur Reditt began the procession followed by Marilyn Duley escorted by Jim Wolfbrandt, Linda Jackson escorted by Jack Keith, and Sue Mindrup escorted by Fred Foss. After having been announced, Terry Barton, the class president, escorted me through the garden to the chairs on the lawn and crowned me Dream Girl of 1960. With a special song played by the band, Terry and I waltzed alone on the dance floor. By this time I really felt like a real Southern belle, and I will never forget our Plantation Ball.

## Thespians

*Row One:* Betty Blayney, Ellen Young, Sidney Ferguson, Becky Allgeyer.

*Row Two:* Mary Stobbs, Ann Young.

*Row Three:* Ed Houston, Sue Mindrup.

## Dramatics

*Row One:* Carol Green, Jean Morrow, Kathy Bund, Stevie Jacobson, Joan Texada, Joyce Brown, Gail Ledingham, Ellen Young.

*Row Two:* Jean Burch, Sandy Peipert, Betty Blayney, Jane Brewer, Mary Zimmerman, Carolyn Ash, Karen Hooper, Becky Allgeyer, Cindy Arnold, Shelly Boone, Anita Henderson, Mr. Edye Wiseman.

*Row Three:* Adele Barocca, Sharon Calvey, Anney Young, Joy Watkins, Sue Mindrup, Sharon Williams, Carol Coston, Norma Carter, Sydney Ferguson, David Berry, Ken Anderson, Mary Stobbs, Nancy Barber, Betsy Scott, Darol Scott.

*Row Four:* Robert McBrien, Terrence Peterson, Edward Houston, Tim Middleton, Randy Arst, David Vorsack, Tom Lenhardt, Linda Jackson, Charla Buck, Jean Humphery, Molly McAdams, Sally Braun, Judi Kaid, Sue Rench, Vicki Sheff, Judy Heavner.

## "The Cradle

Spring brought the last play of the year to Alton High.

The Story involved a young girl, Theresa, who was left as a baby at the Convent of the Dominican Nuns. Here she was raised and after seventeen sheltered, blissful years must leave to become married and travel afar to America. This heartfelt performance shall not soon be forgotten.

"Parting is such sweet sorrow"

"After two performances the play is over and the cast has a great big smile for a job well done."

## Song"

In the last few hours Theresa grasps a moment alone in which to say "Good-bye" to the one who has truly been a mother to her during her years at the convent, Sister Joanna of the Cross."

"Antonio, Theresa's future husband, comes to call on her and pay his respects to the nuns."

"The Doctor, Theresa's foster father, has come to take her to Antonio."

"During a quiet moment the nuns listen to their sister read from 'The Treasury of Patience' while they complete the finishing touches of Theresa's trousseau."

## A Doll's House

The set from "A Doll's House" by Henrik Ibsen

"Oh, How thoughtless of me!"

"See what I have bought, Torvald, dear."

"Ah, Mrs. Linden, I'm pleased to meet you."

Linda Jackson escorted by Jim Robbins

## *Hail Lovely Queen*

*Hail lovely queen! To thee our song we sing  
Our loyalty and homage now we bring  
Smile Thou on us, be happy and gay  
For this is your coronation day!  
Hail gracious queen! The pride of our dear school  
Blessed be thy reign, and happy be thy rule  
We bow to thee, the fairest ever seen  
Long live our Queen, our fair and beauteous queen*

The Alton Redbirds of '61 came through the most difficult season in their history with an admirable 6-5-0 record. This record is one of the Redbirds' best, and almost equals last year's triumph.

With 9 starting lettermen returning, Alton was the victor of a hard-fought game against St. Louis University High (St. Louis University High (last year's St. Louis City Champions) for the first time) and handicapped by a very muddy field, Alton showed much prowess and emerged the 7-0 victors. Next on the agenda Alton continued their domination of Marquette, their cross-town rival, with an 18-6 win. Our Homecoming Game was well played with Alton beating the East-side Flyers in every statistical department but the score, which was 19-0. The East-side jinx prevailed!! Then as if to avenge their previous loss, Alton smashed Granite City 41-13. The Redbirds then traveled to Springfield, Missouri, and rangled with Parkview for the first time. Parkview was the State champion of Missouri last year. Meeting many returning lettermen, Alton suffered its second defeat with a 27-7 loss. But the score wasn't Alton's only loss, for their right halfback, Jerry Goodman, on the first play of the offensive scrimmage, fractured his wrist. Also our right defensive end, James Logan, was injured. The next week in meeting their third conference foe, Alton emerged with a well-deserved 20-14 victory over Edwardsville. They then found their next conference victim in Belleville and squeaked by the Maroons with a 13-6 margin. At their next outing Alton met the determined Kahoks and after playing an inspired first half to a 7-7 tie, came back the second half to meet a more inspired Collinsville team, and left the field a 27-7 loser. Alton also lost their first string center, Bill May, with a severe knee injury at the beginning of the game. The Redbirds then bounced back against Woodriver, who the week before had almost defeated East St. Louis. Alton, sparked by many brilliant performances among their team members, gave the Oilers a sound 26-6 trouncing.

The school thanks the team for its fine performance this year and the team itself is no doubt very thankful for the able coaching of Coach McClinton, Will Washburn, and Perry.

# Golf

*Row One:* Mike Mason, Bob Goulding, Richard Skinner, Mike Johnson. *Row Two:* Coach Sheets, Bill Muehlman, Bob Bergstrom, Tom Muehlman, Larry Ward, Glen Ingram, Gary Lawson.

The Alton High Golf Team was very successful this year and finished their season with a 14-0 record in their dual meets.

Alton went to the Quincy Invitational and swung their way to seventh place among 23 teams. This was very good for such a big meet.

Continuing their domination of this area, as far as golf is concerned, the team won first in the conference meet and emerged as the conference champion. But the Redbirds didn't stop proving themselves here and went

on to win the district championship. From the district Alton moved up to the State Meet at Champaign, Illinois, and finished tenth among 19 teams.

We are proud of our golf team and their fine record, and we are also proud of the good individual showings, too. Bill Muelman placed first in conference and district, and Bob Goulding placed second in Conference and District.

Along with the team we also thank Coach Sheets for his fine support.

# Cross - Country

*Row One:* Steve Batchelor, Paul Tchoukaleff, Dan Watrous, John Trowbridge, Mack Davis.  
*Row Two:* Bob Lewis, Bob Brown, Bob Clark, George Gabelman, Roosevelt Wilson, Coach Wigger.

*Row One:* George Gabelman, Bob Brown, Steve Batchelor, Paul Tchoukaleff, Dan Watrous, John Trowbridge, Hershell Gill, Mack Davis, Roosevelt Wilson. *Row Two:* Coach Wigger, Mike

Elliot, Bob Lahlein, Brooks Brown, Wilbert Davis, Ron Rathgeb, Bob Lewis, Bob Clark, Leonard Perry, Mike Wyatt.

Let us praise the unsung sport of Alton High, for it certainly deserves praise. Few people know that the boys out for cross-country start training even before school starts. This year they went on a canoe trip one week before school and started their training then.

Their hard work certainly paid off because they won their first dual meet, beating Woodriver 18 to 40. As you know, in cross country the lowest score wins. Also at this meet John Trowbridge set a record time: 8:44. Edwardsville then traveled to Alton and met defeat at the hands of the Redbirds. The score was 18 to 41. On September 27th at the Muni Golf Course, Alton came out on top at a triangular meet with Collinsville and Granite City. The Redbirds scored 18 while Granite City and Collinsville scored 67 and 61 respectively.

Our Redbirds then went on to capture first place at the Peoria Invitational and a trophy to boot. John Trowbridge set a record time of 10:30.8 and Dan Watrous was second with 10:32.8. Traveling to Belleville and there meeting Edwardsville, Alton again defeated them 18 to 45. Still climbing the ladder to success, on October 7th, Alton captured another first place at the Belleville Invitational by excitingly beating Vashon (Missouri State

champs) 69 to 70. Trowbridge and Watrous finished second and third respectively. On October 14th Alton met Vashon again at the Beaumont Invitational. Here Alton came in a very distinguished third place with Trowbridge and Watrous finishing second and fourth individually.

At the Southwestern Conference Meet, Alton came in second. John Trowbridge finished first individually. We undoubtedly suffered from the injury of Dan Watrous, who was not able to participate in the meet. Alton finished a very fine first in the District Meet, with fine performances from the whole squad.

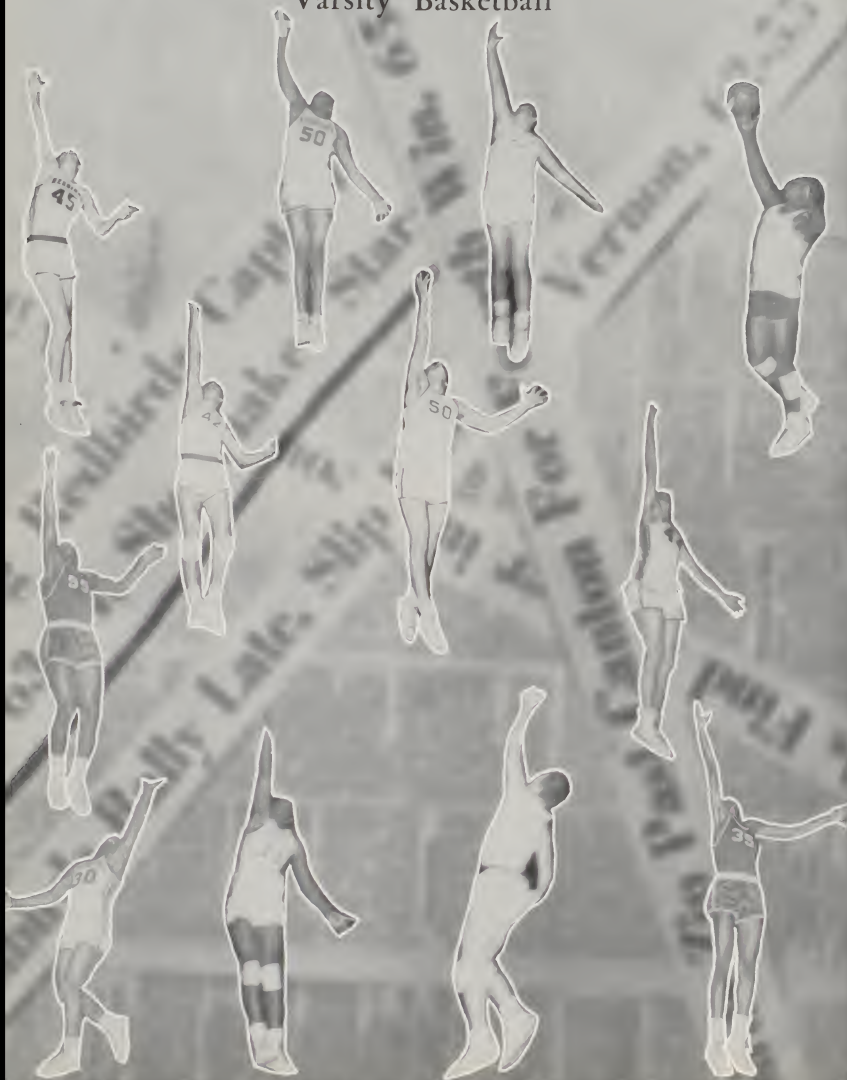

To top off the 1960 season, the Redbirds finished seventh in the State. As far as individual performances were concerned, Trowbridge finished fifth, Watrous twelfth, and Gill fourtieth.

As a rewarding finish to its season, Alton beat Vashon and Beaumont (Second in Missouri) to win first place in a ten mile relay.

We of Alton High thank the boys on the cross-country team for their hard work and rewarded efforts. A great deal of thanks is also owed to Mr. Wigger, the coach of the cross-country team.

# Varsity Basketball

A collage of basketball players in various poses, set against a background of a city street map. The players are shown in white and dark uniforms, with some wearing numbers like 45, 50, 30, and 33. The background features a map of a city with street names like "Main Street", "Broadway", and "Wall Street" visible. The overall theme is basketball, as indicated by the title "Varsity Basketball".

Coach Will  
 Coach Perle  
 Coach Davis

Marvin White  
 member of our team  
 won P. B. G. Award of Honor

With the sound of the starter's gun, Alton was off to another successful track season in the school's history. The season began at the Oak Park Indoor Relays, the first indoor meet Alton ever attended. The Redbirds emerged with an impressive record in a field of sixty-three teams. Considering that Alton is the only track facilities to speak of, Coach Will and the team must be commended for bringing the boys to such a high level of achievement.

During the regular track season, Alton opened the season with a decisive victory over last year's Madison County Champs. B. B. Gater ran a remarkable 9.7 in the 100, and a great 22.1 in the 220 for a good day's performance in such a cold day.

After the first Alton went on to win the Maplewood Relays and then with the Flyers of East St. Louis.

The team's momentum they ran off with another victory at the Hankfort Relays and also at the Conference Relays. Mike Hunter vaulting to a 12.8, which broke the old record held by Mike Hunter.

Going into the Madison County Meets as an established team, Alton really showed what power they had!!! And they showed their strength at the East St. Louis Relays.

The regular season drawing to a close, with Alton having

won all their meets, the Redbirds went to the decatur County Meet at St. Louis. They emerged victorious with B. B. Gater in the 100 and 220, the 880 Relay Team, the Mile Relay team, Dmitry Watrous and John Trowbridge in the distances, Hersche Epps in the Hurdles, Don Davis and Ed Dancy in the 400, vault, Jim Robison in the discus, and Larry Donahue in the shot put, qualifying for State.

At the State Meet the powerful Redbirds finished in the second place to Moline and their second achievement was welcomed by the whole school. Many of the Redbirds turned in outstanding performances at the meet. Helping to achieve our points, B. B. Gater won first in the Century, first in the 220, and anchored the 880 team to another first. Alton's mile relay finished third to bring the point total to 100 and just four points short of a State Championship. We must give credit to the 880 relay team members who were Ron Arye, Marvin Bock, Mike Yavorski, and B. B. Gater. The 440 Relay team was composed of Hersche Epps, Marvin White, Maynard White and Mike Yavorski.

As long as credit is being given, certainly quite a lot to go to the fine coaching given by Coaches Will and Perle. Alton is certainly proud of their track team and we hope they will do as well next year!

# Baseball

*Row One:* Gary Gilleland, Jim Hatcher, John Lewis, Jeff Weber, Tom Berman, Jim Myer, Jim Norvell, Bob Nicolet. *Row Two:* Coach Hanks, Bill Roettgers, Mac Kelly, Jim Robbins, Ron Jureziz, Joe Perica, Larry Sumner, Charles Wittman, Charles Richmond, Jeff Pinkerton.

# Indoor Sport

# Coaches

Coach Will coaches the line for varsity football spring and football events for track. Coach McClain is the Head football coach and coaches the backfield for varsity football. Coach Winger coaches the line for varsity football and the junior varsity football team.

Coach Winger is the Head cross-country coach and coaches the distance runners for track.

Coach Winger is the Head cross-country coach and coaches the distance runners for track. Coach McClain is the Head football coach and coaches the backfield for varsity football. Coach Winger coaches the line for varsity football and the junior varsity football team.

Coach Perrin coaches sophomore football and Coach Johnson coaches events in track. Coach Johnson coaches the line for football.

Mr. Luketich is our fine Athletic Director.

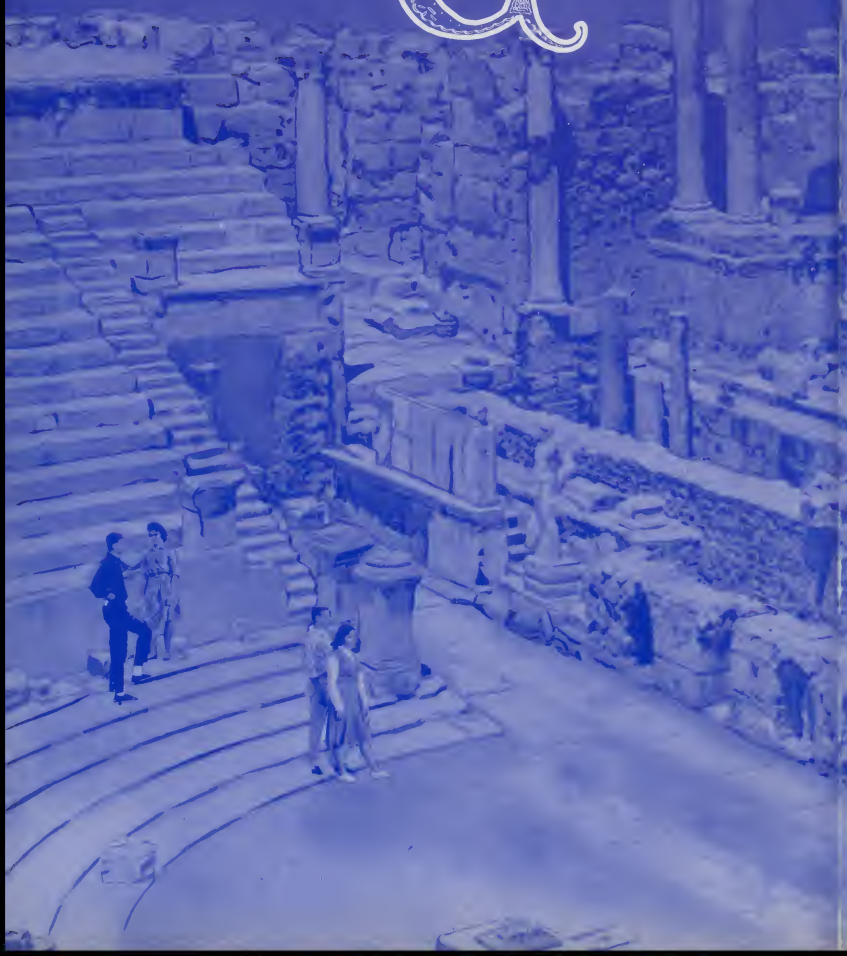

Here are our coaches at work. They all do a fine job of coaching the High are proud of the fine teams they help produce.

"If you ever thought you could get away with it . . ."

"Ugh"

"So I says to Mrytle, Mrytle . . ."

"Got Something up your sleeve?"

Well . . . it's like this!

I was sorta late this morning, so . . .

DREAM (like sleep).

"Who's got the comic book?"

"I thought I saw a mouse! "

"Watch It! !!"

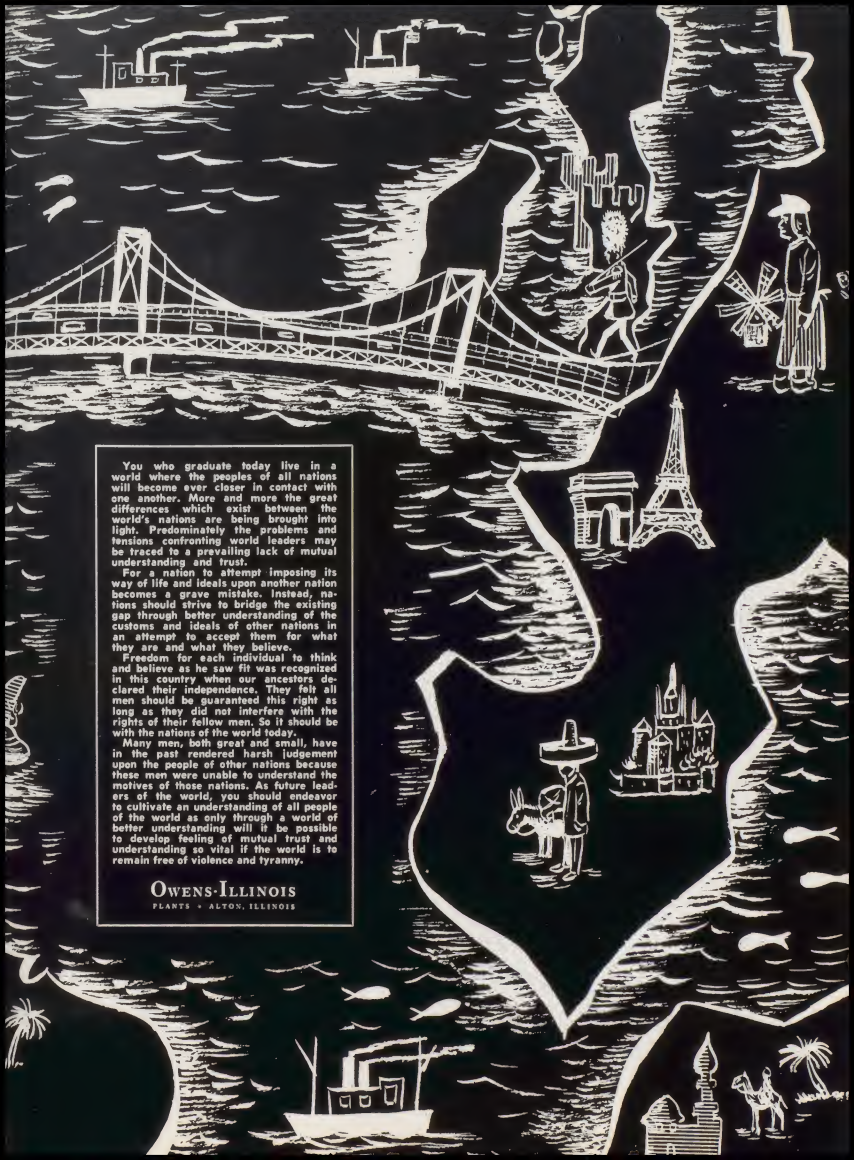

OUR COLORED LINER  
INSPIRED BY  
METRO - GOLDWYN - MAYER  
PRODUCTION  
"BEN HUR"  
DIRECTED BY WILLIAM WYLER

You who graduate today live in a world where the peoples of all nations will become ever closer in contact with one another. More and more the great differences which exist between the world's nations are being brought into light. Predominately the problems and tensions confronting world leaders may be traced to a prevailing lack of mutual understanding and trust.

For a nation to attempt imposing its way of life and ideals upon another nation becomes a grave mistake. Instead, nations should strive to bridge the existing gap through better understanding of the customs and ideals of other nations in an attempt to accept them for what they are and what they believe.

Freedom for each individual to think and believe as he saw fit was recognized in this country when our ancestors declared their independence. They felt all men should be guaranteed this right as long as they did not interfere with the rights of their fellow men. So it should be with the nations of the world today.

Many men, both great and small, have in the past rendered harsh judgement upon the people of other nations because these men were unable to understand the motives of those nations. As future leaders of the world, you should endeavor to cultivate an understanding of all people of the world as only through a world of better understanding will it be possible to develop feeling of mutual trust and understanding so vital if the world is to remain free of violence and tyranny.

### WE'RE GOING WITH YOU

Whether you knew it or not, almost every day of your school year you've used a product made by Olin Mathieson, or one that Olin Mathieson helped to make.

Once you're established in business or professional life, you'll probably hear a lot more about Olin Mathieson. A good many of you have business with us, and a few of you may even come to work for us. There will be room because Olin Mathieson is growing. When Olin Industries, Inc. merged with the Mathieson Chemical Corporation in August, 1954, they brought together the skills, facilities and resources of two of the country's most rapidly expanding industrial organizations.

We extend our best wishes to you. May the future bring you all that you've hoped for and everything for which you've worked.

# What goes?

MAYBE not the bike, but the girl certainly knows how to get around. Like so many young people, she's as good at figure-work as she is at fixing wheels—which is why she leans to lighter, less-filling foods.

Pepsi-Cola figures, too, for those who "take it lightly." It's the modern, the *light* refreshment. Never heavy, never too sweet. Refreshes without filling. Have a Pepsi.

Pepsi-Cola  
refreshes  
without filling

There is a growing awareness of the need to address the health care needs of the ageing population. The Department of Health (2000) has set out a strategy for the future of health care for older people. The strategy is based on the following principles: (1) older people should be able to live in their own homes for as long as possible; (2) older people should be able to live independently and be able to take part in the community; (3) older people should be able to live in a safe and secure environment; (4) older people should be able to live in a comfortable and pleasant environment; (5) older people should be able to live in a healthy and safe environment.

The strategy is based on the following principles: (1) older people should be able to live in their own homes for as long as possible; (2) older people should be able to live independently and be able to take part in the community; (3) older people should be able to live in a safe and secure environment; (4) older people should be able to live in a comfortable and pleasant environment; (5) older people should be able to live in a healthy and safe environment.
